Copy of Resolution passed at the Meeting held on
Saturday the 31st October 1914:--

I.--Organisation of Kannada Lectures.

Scheme prepared by the Secretary to the Committee -
was read and opinion of members elicited on several - -
points noted therein. The request for written lectures
having met with a poor response, it was suggested that -
a substantial amount should be offered as honorarium for
each lecture written. After a lengthy discussion, it -
was resolved:--

- (1) That an honorarium, varying from Rs.30 to Rs.50, be
paid for each original lecture to be delivered.
- (2) That lecturers are free to select any of the subjects
in the given list or name any similar subject of -
their own choice.
- (3) That an advertisement of the same be sent to officers
of several departments and other qualified gentlemen.
- (4) That the whole lecture or a synopsis of the intended
lecture should be sent up to the Secretary and the
lecture delivered subsequently after approval,
- and (5) That a written copy of the full lecture (which the -
Committee will be free to print &c.) be sent up.

In regard to the arrangement for delivering such - -
prepared lectures in villages, it was suggested that
selected men might, in the first instance, be appoint-
ed for a period of six months; it was accordingly -
resolved:--

- (1) That four salaried men should be appointed at once -
in four districts--two malnad, two maidan.

- (2) That they be borrowed chiefly from the Education - - Department for a period of six months.
- (3) That pay &c. be paid to these ^{temporary} men as suggested in - the Secretary's note viz. pay Rs.30 a month and - - consolidated travelling allowance Rs.30 per month - provided the lecturer was away from Head-quarters - for at least 20 days in the month, proportionate reduction being made in case of insufficient itineration.
- (4) That an attendance on Rs.8 per month with usual travelling allowances be allowed to each temporary lecturer and
- (5) That the work of the lecturers be supervised by the - District Superintendents A.E & I under the general - control of the Secretary, Education Committee.

It was further resolved that, in addition to these - paid lecturers, selected school-masters should be appointed to read lectures^e in their own places and that a fee of Re.1 or Rs.2 according to circumstances be paid to them - for one reading.
